

## GLG-300-12, GLG-300-24 power supply

**Power:**

300 W

### Basic info

- professional class
- fully encapsulated with IP65 level
- output - wires
- 3 years warranty

## Technical parameters

| Variant                       | 12V                                                       | 24V    |
|-------------------------------|-----------------------------------------------------------|--------|
| Power                         | 300 W                                                     |        |
| Output Current                | 25 A                                                      | 12.5 A |
| Dimensions                    | 285x96x50 mm                                              |        |
| Minimum operating temperature | -30 °C                                                    |        |
| Maximum Operating temperature | 70 °C                                                     |        |
| Minimum storage temperature   | -40 °C                                                    |        |
| Maximum storage temperature   | 80 °C                                                     |        |
| IP degree                     | 65 IP                                                     |        |
| Input Voltage                 | 90 ~ 264 V AC                                             |        |
| Protection                    | short circuit, overcurrent, overvoltage, over temperature |        |
